

COVID-19 AND THE FUTURE OF INTERNATIONAL TAX POLICY

Covid-19 is influencing under many ways the International Tax Policy both at OECD and EU level, as well as at each single country level. The webinar has the scope to verify whether through the OECD and EU guidelines, as well as the comparative analysis, there is going to be an emerging International Tax Policy coherence.

4 DECEMBER 2020

H: 10.30 (GMT+1)

International Tax Webinar
